

Dear Delegate,

Here is some useful information for how to arrive here and for legislation.

After you arrive at Canterbury, you can either take the bus (number 4) or taxi to come to the University. If you take the bus, please do ask the driver if that one goes into the University (some don't). It takes about 14 minutes from city centre to here. From the place you get off the bus in University (near Keynes College, no 38 in the map), it takes about 8 minutes by walk either to Tyler Court—the venue of **Accommodation** (no 27 in the map, in between Rutherford and Darwin College), or to Kent Business School—the venue of Conference.
